

FOR IMMEDIATE RELEASE

**CHICAGO TITLE INSURANCE COMPANY POLICIES NOW AVAILABLE THROUGH ECONVEYANCE
Real Estate Conveyance and Title Insurance Made Easy**

Mississauga, ON – (November 17, 2008) – Chicago Title Insurance Company Canada, an industry leader and national provider of residential and commercial title insurance products, today announced that lawyers and notaries can now order and receive policy delivery of its title insurance products through econveyance, OneMove Technologies Inc.'s real estate conveyancing software.

"We are excited to be part of this "one stop" solution for transacting real estate in BC, presenting an alternative ordering option for existing clients and an opportunity for new clients to experience our proven secure, intuitive and responsive ordering platform, CTIC Express, from within their chosen real estate transaction platform. This integration demonstrates our continued commitment to workflow improvements in the busy law practices of our clients, saving time and costs", said Gary P. Mooney, Chief Agent, Chicago Title Insurance Company Canada.

About OneMove Technologies, Inc.

OneMove offers an industry leading web based real estate transaction platform, econveyance (the software), designed to cater and further simplify the real estate transaction in the province of British Columbia. With over 1300 B.C. lawyers and notaries that currently employ the software, One Move is fast becoming an integral part of the provincial residential real estate process and standard. Additional information about OneMove and its offerings, can be found at www.onemovetech.com or www.sedar.com.

About Chicago Title Insurance Company Canada

Chicago Title Insurance Company is a wholly owned division of Fidelity National Financial (FNF). FNF, operating through its majority owned subsidiary Fidelity National Title Group, Inc. (NYSE: FNT), is one of North America's largest title companies, providing core title insurance products, escrow and other real estate related products.
